MOTES TO THE FINANCIAL STATEMENTS AT JUNE 30, 2018 AND 2017

NOTE 1 - NATURE OF ACTIVITIES

Homeless Services United, Inc. (the "Organization") and formerly D/B/A "The Council on Homeless Policies and Services, Inc." is a New York City based nonprofit charitable organization, incorporated in New York State in 1996, for the purpose of providing advocacy for expansion of affordable housing and prevention services and for immediate access to safe, decent, emergency and transitional housing for the homeless population. The Organization promotes effective solutions to end the crisis of homelessness in New York City.

The Organization's program is based on values of loving kindness, embracing community, and the general premise that all human beings are important and should not be forgotten. The Organization's program includes promoting fiscal resiliency, the advocacy for a comprehensive safety net of services, organizing providers to improve service delivery to the homeless and the training of member organizations and the advocacy for effective solutions to end the crisis of homelessness.

The Organization was chosen as a grant recipient by the New York City Council and administered by the New York City Department of Homeless Services.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The Organization maintains its accounts, as well as prepares its financial statements, on the accrual basis.

Basis of Presentation:

Financial statement presentation follows the provisions included in Financial Accounting Standards Board Accounting Standards Codification for "Not-For-Profit Entities", which constitutes generally accepted accounting principles in the United States of America ("GAAP") for non-profit entities such as the Organization. GAAP requires the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. At June 30, 2018 and 2017, the Organization had temporarily restricted net assets of \$35,000 and -0-, respectively. The restrictions were for time, and the balances approximated present value. At June 30, 2018 and 2017, there were no permanently restricted net assets.

Functional Allocation of Expenses:

The costs of providing the programs and activities have been summarized on a functional basis in the Statements of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

HOMELESS SERVICES UNITED, INC. NOTES TO THE FINANCIAL STATEMENTS AT JUNE 30, 2018 AND 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes:

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and qualifies for the charitable contribution deduction.

The Organization accounts for uncertainty in income taxes by using a recognition threshold of more-likely than not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold is met. Management has determined that there were no tax uncertainties that met the recognition threshold at the statement of financial position dates and no interest and penalties related to unrecognized tax benefits have been recognized in the Organization's financial statements.

The Organization timely files federal Form 990 annually and state annual registration renewal as required. The Organization has no open filing years prior to June 30, 2015. No returns or registrations are presently under examination by the relevant authorities.

Use of Estimates:

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the dates of the financial statements and reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Revenue and Support Recognition:

Contributions and grants received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions and grants are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional, all donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends, or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Contributions and grants that have met donor-imposed restrictions in the same reporting period, if any, are reported as unrestricted.

Membership dues and assessments and event fees are recognized as revenue for the specific period of membership or event for which the funds are received. Such funds received in advance are recognized as deferred revenue.

The Organization uses the allowance method to determine uncollectible accounts. On a periodic basis, the Organization evaluates the receivables and establishes an allowance, if necessary, based on collection experience or management's analysis. At June 30, 2018 and 2017, management determined that no allowance was required on the membership dues and assessments receivable.

Cash and Cash Equivalents:

For purposes of the statements of cash flows, cash consists of bank checking accounts and cash equivalents may include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less. At the statement of financial position dates, the Organization has no cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS AT JUNE 30, 2018 AND 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Facilities and Services:

During the year ended June 30, 2018, the Organization held a policy symposium. The facilities and services provided for the symposium's guests were provided by a sponsor. The market rate of the use of facilities and services received was approximately \$14,000. Based on this understanding, the donated value of the facilities and services for the year ended June 30, 2018 amounted to approximately \$14,000.

The Board of Directors donates significant amounts of their time in program activities. The value of this contributed time is not reflected in the accompanying financial statements because it does not meet the criteria for recognition provided in GAAP. In addition, no objective basis is available to measure the value of such services.

Property and Equipment:

Items capitalized as property and equipment are reported at cost or, if donated, at the approximate fair value at the date of donation. The Organization uses an informal capitalization policy of management discretion. Depreciation is computed on a straight-line basis over the estimated service lives of the assets. Leasehold improvements are depreciated over the lesser of the life of the improvement or the remaining term of the related lease.

Summarized Comparative Data:

The amounts shown for the year ended June 30, 2017 in the accompanying statements of activities and functional expenses are included to provide a basis for comparison with the year ended June 30, 2018, and present summarized totals only. Accordingly, the June 30, 2017 totals are not intended to present all information necessary for a fair presentation in conformity with GAAP. Such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2017 from which the summarized information was derived.

Reclassification: -

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

NOTE 3 - CONCENTRATION OF CREDIT RISK

The Organization maintains its cash balance in a non-interest-bearing account at a national bank. Such accounts are insured up to \$250,000 by the Federal Deposit Insurance Corporation. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on its cash account. At June 30, 2018 and 2017, cash balances exceeded federally insured limits by approximately \$171,000 and \$250,000, respectively.

Membership dues and assessments are generated primarily from organizations who are based in New York City, as such, changes in economic and other conditions of this geographic area may have an effect on the credit risk of the receivables.

HOMELESS SERVICES UNITED, INC. — NOTES TO THE FINANCIAL STATEMENTS AT JUNE 30, 2018 AND 2017

NOTE 4 - RENT EXPENSE AND COMMITMENTS AND CONTINGENCIES

The organization leases office space on a six-month lease at \$9,553 per six-month period beginning on August 19, 2017 and expiring on February 19, 2018 going month to month thereafter in contemplation of a move to a new location at 307 West 38th Street. Because the move date was contingent on the readiness of the new location, HSU agreed to remain month to month until a new lease could be executed in the new office. The new rental agreement is a sub-lease of a portion of space occupied by GMHC, the tenant, with an annual fixed rent of \$10,416 plus a proportional share of the common charges associated with our portion of the space. The agreement commences July 15, 2018 and may be renewed annually at the same rate for up to 5 years and may be further renewed for up to 30 years with stepped increases occurring on a 5-year schedule. Rent expense for the years ended June 30, 2018 and 2017 approximated \$17,500 and \$13,000, respectively.

NOTE 5 - MAJOR DONORS

Of the grants reported in the Organization's statement of activities for the years ended June 30, 2018 and 2017, approximately 78% and 64%, respectively, are attributable to a grant made by the New York City Council via agreements held with the New York City Department of Homeless Services.

NOTE 6 - SUBSEQUENT EVENTS

Management has evaluated all subsequent events from the financial statement date through January 8, 2018, the date the financial statements were available to be issued.
